COMMITTEE ON HOUSE ADMINISTRATION
SUITE H-326, U.S. CAPITOL
Washington, D.C. 20515

February 14, 1978

The Committee on House Administration is pleased to present the first House Telephone Directory of this second session. As explained in my letter of September 15, 1977, this directory will be updated quarterly.

The organizational structure of this directory has been slightly altered. The first 8-10 pages serve as a quick reference to Members' offices, Leadership and House offices, Committees and Administrative Services. Also, the "General Classified" section is now called "General Support Offices".

If you have dealings with Associate Staff members of Appropriations, Budget or Rules Committees, you will find that they are listed separately under the appropriate committee heading, and also in their respective Member's office.

The "Government Agencies" section has been revised to include names, room numbers and phone numbers of House Liaison directors for the various departments and agencies. Hopefully, this will make some aspects of your job a little easier.

Once again, we'd like to express our thanks to the Clerk of the House, the House Information Systems and the Architect of the Capitol for their assistance in the production of this directory.

With kind regards,

Cordially,

Frank Thompson
